

THE TASTE OF PARK RIDGE COMMITTEE IS EXCITED TO ANNOUNCE THE ENTIRE HEADLINE MUSICAL LINE-UP FOR THE 2014 TASTE.

The Taste of Park Ridge committee is excited to announce the entire headline musical line-up for the 2014 Taste.

Kicking off the **free** musical festivities on the Bredemann Main Stage at 4:30 on Thursday, July 10th, will be Park Ridge residents **Doug James and the Pocket**, performing their high energy fusion of blues, rock, and funk. Following

the Taste opening ceremony at 6:15, **Tony Ocean Band**, will pay homage to Sinatra, Martin, Davis, Bennett, and more. Next, **Evolution** presents classic rock favorites by Journey, REO Speedwagon, Foreigner, Styx, and Bon Jovi at 8:30.

Friday's schedule of sensational sounds begins at 3:15 with guitar virtuoso **Jack Wilson**, interpreting classic rock standards and more. Jack manipulates the guitar fret board so magically you will perceive a six piece band rather than a single guitarist. At 5 P.M., **Ten Foot Tail** combines classic rock with a few choice originals, driven by a hypnotic blend of keyboard and guitar interaction. **Generation** appears at 6:45, performing stirring renditions of "blue-eyed soul" and "arena rock", including tunes by

Van Morrison, the Doors, CSNY, and more. **Your Villain, My Hero** will appear at 9 P.M., presenting their "hip-hop" take on hits by Katy Perry, Lady Gaga, and more. With a dynamic new singer, they will truly "rock the house."

Saturday's program will be launched at 3 p.m. by local high-octane classic rockers **The Head Honchos**, who will get you bogeying, with their "ZZ-Top on steroids" approach. They will be followed at 5 p.m. by **Ginger Road**, lacing a healthy dose of country flavor into their rock based material. At 6:45, **Fortunate Sons** do a brilliant job of recreating, both visually and musically, the "swamp-rock" attitude of Credence Clearwater Revival, chronicling their amazing string of hits from the sixties and seventies. Headliners **Seventh Heaven** always brings a wealth of cool, contemporary sounds and a host of dedicated fans with them. The show promises to get everyone on their feet.
